### 1.3.2 - Trades

Trades will be processed following acceptance from the teams involved in the trade. No trades shall be processed following the Trade Deadline as set by the HOST SITE.

- (b) Any team exchanging future-dated draft picks must pre-pay the entry fees of that season.

## 1.4 - Playoffs

Playoffs will consist of the top 6 teams over the course of 3 weeks. Team rankings will be determined by Win Percentage. Amongst teams with equal Win Percentages, rank will be determined by Points For.

### 1.4.1 - Tiebreakers

In the event of a tie during a playoff matchup, the better heads-up record between the 2 opponents will win.

## 1.5 - Keeper Players

Each team is permitted to keep up to 1 player per season. The player kept must meet eligibility requirements and will be awarded to its team by compensatory draft pick determined by the equation in Section 1.5.2. A player's keeper tenure will follow them until the point at which they are released back into the draft pool.

### 1.5.1 - Keeper Eligibility

A player must meet the following criteria to be eligible for keeper status in the subsequent season:

- (a) The player's Compensatory Value (Section 1.5.2) must be greater than 3.
- (b) The player must have been added to the team's roster before that season's Trade Deadline

### 1.5.2 - Keeper Compensatory Value

The formula for determining a player's Compensatory Value is as follows:

$$\text{Previous Draft Rd} - \text{Years Kept}$$

For example:

2020: Justin Jefferson – draft round 13

2021: Justin Jefferson CompValue 12

2020 Draft Rd (13) - (1) Years Kept

2022: Justin Jefferson CompValue 10

2021 Draft Rd (12) - (2) Years Kept

2023: Justin Jefferson CompValue 7

2022 Draft Rd (10) - (3) Years Kept

2024: Justin Jefferson CompValue 3

2023 Draft Rd (7) - (4) Years Kept

Any undrafted player added via Free Agency will be assigned a draft round equivalent to the final round of that season's draft.

## 2.0 - Financial Details

### 2.1 - Team Fees

Entry fee for each team is \$50 USD. Entry fees must be remitted before that season's draft. Failure to remit entry fees before draft day will result in the team being locked and draft to be conducted via HOST SITE Auto-draft. No transactions can take place until entry payment has been made.

The coup shall be deemed successful and its sedition honored if the vote of no confidence garners  $\frac{3}{4}$  support from all LEAGUE members. Concurring opinions from independent arbitrators will also be taken into consideration given the degree of independence and level of celebrity of the arbitrator.
